

## **Congratulations Speech for KOREATECH 30th Anniversary**

**From**

**Rajamangala University of Technology Lanna**

**Dean, Faculty of Engineering**

The 30<sup>th</sup> Anniversary is marked as a great success for Korea University of Technology and Education. With distinct academic excellence and history, KOREATECH has been providing resources, knowledge and experience to its students and faculties as well as the global community.

KOREATECH and Rajamangala University of Technology Lanna are long-standing partners and friends. We have overcome many academic challenges and achieved many goals together. Over the past 5 years, due to your vision and incomparable leadership, we have increased number of exchange students and faculty members as well as organized many camps and projects enriching culture and network between two universities, with TVET-CAMPUS Working Committee as our most successful project. As our friendship deepens, we will bring about more interesting programs to benefit our students and look forward to a closer and more fruitful partnership.

On behalf of Rajamangala University of Technology Lanna, I would like to congratulate you on the 30<sup>th</sup> anniversary. I wish for an enjoyable celebration and continued success.

Thank you.
